General

Ustyle Models, a Shenzhen-based agency engaged in model management, is widely recognized for its diverse client roster. Involving all types of foreign models with rich experience, Ustyle serves for various world-renowned brands all over the world. Believing that models could be managed as talents in the same vein as professional athletes, actors, and other entertainers, Ustyle has developed long-term relationship with brands in sports, fashion, automobile etc.

Required Services: Corpus of Translation Services!

Ustyle Models is working with MarsTranslation for a long time and it requires our services in multiple fields, including:

- Certificate Translation: Academic, healthcare and diploma etc.
- Desk Top Formatting
- Certificate Stamping
- Resumes Translation

The Problem: Fast Turnaround!

As Ustyle is engaged in providing models to top brands and multinational companies, it mostly requires translation services with fastest possible turnaround to ensure quick services. Moreover, the languages required for translation are diverse from Hungarian to Chinese, Grecian to Chinese, Romanian to Chinese, Portuguese to Chinese etc.

But our professional and expert translators are adept of handling pressure and their command on their language helps them to provide quick response with precision.

The Solution: Availability Round the Clock!

MarsTranslation is available 24/7 for its clients; at any time of the day and night. This has helped us to ensure our availability round the clock for Ustyle with our handily available translators in every nook and corner of the world.

The Results: Smooth Functionality!

As most of the translation services required by Ustyle are related to functionality and working of the company, so our fastest turnaround helps Ustyle to smoothly run its procedure and working. Hence, maintenance and sustainability of its steady growth and development is no more a problem for Ustyle with us.
